As we approach the last month of session, conference committees are starting to be appointed. Conference appointees are entered into the Texas Legislature Online system as they are appointed and are listed just above the actions on the history tab--see [HB 1, 84R](#) as an example. For more information on conference committees, click [here](#) to read some FAQs.

The first conference committee to be appointed for the 85th is for the budget bill, [SB 1](#). Wondering who has served on past appropriations bill conference committees? Here's who served in the past five sessions.
